

PUBLIC MEETING SOLIDARITY AND EXILES

At least 400 exiles people are without fixed housing in Rennes. If it is also worrying you, if you are in this situation or if you want to do something about it, you're welcome! We propose several meetings to speak about mutual aid, solidarity, different issues that could be set up in Rennes and surrounds.

We will speak about housing, tricks to manage yourself, health, administrative subjects, food, and how to alter all that.
